Welcome Message

Welcome to Binimoy International

Your Trusted Partner in Global Workforce Solutions

At Binimoy International, we take pride in being a leading manpower supply agency, dedicated to connecting skilled, fresh, and hardworking individuals from Bangladesh with opportunities in Saudi Arabia and Malaysia.

Whether you're seeking experienced professionals or energetic new talent, our commitment to quality, integrity, and excellence ensures that your workforce needs are met with precision and care.

We believe in empowering people and strengthening industries — one opportunity at a time.

Binimoy International

- Bridging Talent, Building Futures.

Company History

Since 1993

Established in 1993, Binimoy International has been a trusted name in the manpower recruitment industry for over three decades. Based in Bangladesh, we specialize in supplying skilled, semi-skilled, and fresh workers and laborers to international markets, particularly in Saudi Arabia and Malaysia.

With a strong foundation built on trust, experience, and a commitment to ethical recruitment, Binimoy International has proudly contributed to the global workforce while supporting the livelihoods of thousands of Bangladeshi families. Over the years, we've built lasting relationships with overseas clients and have earned a reputation for delivering reliable, efficient, and well-prepared manpower across multiple sectors.

At Binimoy International, we don't just send workers — we shape careers and strengthen industries.

Vision

01. To become a globally recognized manpower agency from Bangladesh, known for ethical recruitment, quality service, and empowering individuals by creating sustainable overseas employment opportunities — especially in Saudi Arabia, Malaysia, and beyond.

Mission

01. To connect skilled and fresh Bangladeshi workers with reputable employers abroad, particularly in the Middle East and Southeast Asia.
02. To maintain the highest standards of transparency, compliance, and professionalism in every stage of the recruitment process.
03. To uplift the lives of workers by ensuring fair wages, proper training, and safe working conditions.
04. To support global industries by providing reliable, efficient, and job-ready human resources.
05. To continuously improve through innovation, feedback, and strong partnerships with government and private sectors.
